### BUCKEYE TRAIL ASSOCIATION MEMBERSHIP FORM

The 1,444 mile Buckeye Trail is planned, marked, maintained and mapped by volunteers. The Buckeye Trail Association was established in 1959, originally to complete a trail from the Ohio River to Lake Erie. The trail is now extended to encircle

the state. It is the only trail in the U. S. that touches all four corners of its state.

The Buckeye Trail Association is funded solely through membership dues, map and merchandise sales, and charitable contributions.

You are cordially invited to join the Buckeye Trail Association, Inc., a nonprofit organization, to help promote its objectives and to share in its achievements.
