It's best for us if you submit your forms whenever they're full. Otherwise, to be included in annual figures for the Trail, we must have them by the NEW date of September 1st. Please send your form to: Buckeye Trail Association, PO Box 5, Shawnee, OH 43782.

Trail maintenance forms should be scanned and emailed to tmt@buckeyetrail.org

Volunteer hours are critical for demonstrating public support to justify State and Federal funding. Good records of hours also improve our chances of receiving other types of grants.
