

# Have you hiked the Whole Buckeye Trail?

## ***What is it?***

A patch for any hiker who has completed the entire Buckeye Trail.

## ***How do I get a patch?***

By hiking the Buckeye Trail, of course. After finishing the Buckeye Trail, complete the Questionnaire and return it to the address on the form. A patch will be sent to you in 10 business days.

**Can I get more than one patch?** The first patch is free; any extra patches are \$3.00 each.

**Who is eligible for a patch?** Any person who has completed the Buckeye Trail any time in the Buckeye Trail's history. As long as you finished the entire Buckeye Trail, no matter what its length was when you finished.

We want to know. Just fill out the questionnaire. BTA is interested in people who have hiked the whole Trail.
